AGENCY CONTACT MEMORANDUM

To: Commonwealth Technology Council, Technical Contacts

From: Phil Baughn Commissioner
Commonwealth Office of Technology

Date: July 17, 2009

Subject: COT Service Rates for fiscal year 2010

Commonwealth Office of Technology would like to announce that with one exception its service rates will remain unchanged for fiscal year 2010.

Responding to the needs of our customers during these difficult economic times, COT no longer provides handsets as a part of its Voice-over-IP (VC60) service, thereby reducing the monthly rate from \$20 to \$10 per handset. Agencies will have the ability to purchase handsets from state contracts using funds from either capital or operating budgets.

Fiscal year 2010 service rates can be found as an attachment to this e-mail. All COT service descriptions are available on GotSource:
